

For employees of Stago's customers

“Diagnostica Stago S.A.S 3 allée Thérèse, 92600 Asnières sur Seine, France (hereafter « Stago ») is processing some of your personal data collected during the establishment of the commercial contract with the company you are working for. The data were collected in the CRM from you or from your company. It can include your name ; first name, job, email address , your spoken language, preferred method of contact, your phone number, any interest you may have for our event, newsletter, order information, technical information, training and the exchanges with you. The purposes of this processing are :

1. Customer relation management,
2. technical support (hot-line, field interventions) including complaint management

As such Stago is Data Controller and is processing your data for the purposes of its legitimate interest:

1. to manage efficiently the relation with its customers
2. to be able to inform you with any business, marketing and scientific information

Your data will be processed until the end of the relationship of Stago with your company.

You can request, by contacting the DPO of Stago: [Contact DPO | Stago.com](#), access to your personal data, the rectification or erasure thereof, or a restriction of the processing, as well as the possibility of objection to this processing on grounds relating to your particular situation.

This data processing does not include an automated individual decision-making nor profiling.

The provision of your contact data is neither statutory nor contractual requirements.

Stago uses processors and its sub processors, which provide sufficient guarantees to implement appropriate technical and organizational measures to ensure the security and confidentiality of your personal data.

Your data can be shared with our affiliated companies which could be outside of the EU. This transfer to your country would be done on the basis of an adequacy decision or standard data protection clauses adopted by the Commission.

If you consider, after having contacted the DPO, [Contact DPO | Stago.com](#) that your rights to personal data protection are not respected, you can file a complaint to the National Commission of Computing and Freedoms (CNIL) <https://www.cnil.fr/fr/plaintes/> “
